

[BIAS INTERRUPTERS] *small steps big change*

Interview Protocol Worksheet

Here are a few tips to help you do well at the interview.

1. Present yourself with quiet confidence. Bluster doesn't work well here, nor does excessive modesty.

2. Here are the qualities we value because they help us work well together (fill in some of the "culture fit" qualities).

3. Here are the skill sets required for this position.

4. Here are other qualifications we think are important.

5. Here are the metrics we will use to rate your performance.
