## **BIAS INTERRUPTERS FOR ASSIGNMENTS**

### *Office Housework Survey*

## **How Do I Use This Survey?**

- 1. Circulate this short survey to your team.**
- 2. Look at the amount of time each team member is spending on different office housework tasks.**

Do certain groups of people spend more time in general? What about on specific types of work: literal housework, administrative work, undervalued work?

Do certain groups of people feel that they are spending more time, even if the amount of time recorded does not reflect a difference? Start there, then head to the **Bias Interrupters for Assignments: Tools for Managers** toolkit to learn how to level the playing field.
